Damage-Free

Show your walls some love! Hang without holes or sticky residue!

Command

Picture Hanging Kit Contains an assortment of Command™ hangers in a reclosable case for easy storage and organization. Handy strips ensure damage-free hanging. They hold on strongly, keeping your artwork right where you want it. Best of all, when you are ready to take down or move your pictures, they come off cleanly—no nail holes or sticky residue. Hangs up to 15 pictures.

EMPIRE

Cloud Connected Touchscreen Time Clock Brand New! Everything you want in an employee time and attendance system is built into this technological wonder. Pull it out of the box, connect it to Wi-Fi or Ethernet and you're ready to go. Configure to your business in minutes using the 7" capacitive touchscreen with drag-and-drop functionality or simply use the cloud software. Assign employees your choice of fingerprint, RFID card or PIN to punch in and out all from the same time clock. Every punch is recorded in the cloud the instant it happens. Get real-time alerts and reports 24/7 to check on vacation, overtime, holiday and ACA hours. Set up one or many pay period options and export data to any payroll system in seconds. The time clock and software allow for department transfers, job tracking and multiple shifts. Built-in camera can append photos to any punch as well as take employee ID photos. Communicate with employees directly through the tablet. Easily mount the tablet on a wall or use portably offsite. Optional battery available for portable use. Affordable monthly subscription required to use system. Comes with 25 RFID cards. $9\frac{1}{4}$"w × $1\frac{1}{4}$"d × $4\frac{5}{8}$"h. Manufacturer's limited lifetime warranty. ⊠

Scrub Daddy
The Original

Eraser Daddy® Scrubber Say good-bye to scuff marks, stubborn stains, crayon smears and more, with Eraser Daddy® featuring two hard working sides instead of just one. The "scrubby side" is made from unique scratch-free FlexTexture™ material which works to easily remove abrasive surface debris before using the PowErase™ side.

Tough Stuff

Won't break down, even in solvents or chemical solutions!

Cascades

Like-Rags® Spunlace Towels Super strong and absorbent, these heavy duty, high-performance towels are the ideal replacement for rental shop towels and rags. Extremely effective, wet or dry, and because they're low-linting, they make an excellent choice for critical wiping applications. No chemical binders or resins. Designed for use in applications that require resistance to solvents and virtually lint free wiping—applying aircraft solvents, wiping down print presses or plates and solvents for furniture staining.

Heavy-Duty

Made for machines & the harshest environments!

Cascades

Multi-Purpose Shop Towels Durable, multi-purpose shop towels perform like cloth and can withstand heavy duty wiping and cleaning applications. Extremely absorbent and ideal for the toughest environments. Great for routine machinery cleaning and maintenance; water, grease and oil cleanups; applying or wiping off solvents and chemicals; and absorbing large liquid spills and leaks.

Elevate Your Work

Raise or lower your worksurface whenever you choose.

Height-Adjustable Table Base Series
Height-adjustable tables allow the user to move from sitting to standing with one touch. By alternating between a sitting and standing position, you increase your productivity while reducing fatigue. Plus, standing while working burns almost a third more calories than sitting while helping to keep core and back muscles engaged.

- A great solution to retro-fit existing worksurfaces and add ergonomics to the office infrastructure.
- Solutions for every size, budget and requirement with electric or pneumatic controls.
- Bases accept most common sized worksurfaces.
- Strong powder coated steel frame with cross bars provides stability and prevents racking.
- Adjustable leveling glides to compensate for uneven floors.
- Manufacturer's limited five-year warranty.

Pneumatic Height-Adjustable Table Base
Pneumatic control lift-assist height-adjustable table base. No electricity needed. Durable base recommended for up to 100-lb. lift capacity including weight of worksurface. Movement within a 13" range from 26⅜" to 39⅝". Accommodates most common worksurfaces ranging from 59" to 72" width; and 24" to 30" depth. Strong black powder coated steel frame with cross bars provides stability and prevents racking. Adjustable leveling glides to compensate for uneven floors. ⊠

Single-Column Electric Height-Adjustable Table Base
Three-stage single-column telescoping height-adjustable base with standard up and down controls. Durable steel base with 125-lb lifting capacity moves within a 19" range from 24½" to 43⅜" (not including worksurface). Attaches to most common worksurfaces ranging from 30" to 42" width; and 12" to 27½" depth. Integrated cable management channels; includes 6.5 ft power cord. Single motor with movement up to 1.2 inches per second depending on load. Strong powder coated steel frame with cross bars provides stability and prevents racking. Adjustable level glides to compensate for uneven floors. ⊠
