Minnesota is known for being a great place to live and work, with top-notch companies in many industries headquartered here. This award recognizes Minnesota's top companies and the "100 Best" was determined by the resulting scores of an anonymous online questionnaire filled out by the employees of each participating company – to determine which companies in Minnesota excel in the areas of work environment, employee benefits and overall employee happiness, making them the 100 Best Companies to Work For.

*“We’re absolutely thrilled to have made the **100 Best Companies to Work For** (<http://www.minnesotabusiness.com/2017-100-best-companies-work>) list for the sixth consecutive year. Our people are the heart and soul of our Relationships Matter belief system and work hard each day to serve our customer and supplier partners. It’s great to know they enjoy being part of the Innovative story and love coming to work each day.” – Jennifer Smith, CEO.*
